

Silent KNIGHT

Pics with Santa

for Kids with Disabilities or those
who are Immunocompromised

Friday, December 15 • Hospital Front Lobby

Silent Knight will be held in honor of Ryder Knight, who was diagnosed with cystic fibrosis shortly after birth. Last year, Ryder's parents, Jason and Heather Knight, asked to take pictures with Santa early due to his immune system, which prevented him from being around other kids at our big Christmas with Santa event. So, thanks to Ryder, we set aside time to honor children with special needs, and **"A Silent Knight"** was formed.

Parent or Guardian of Child: _____

Phone Number of Parent or Guardian : _____

Child's Name: _____

Age: _____

Special Equipment (if needed): _____

Precautions (if needed): _____

Tell us a little about this child, such as favorite toy or play activity:
